

Barnes Wallis

I am 19 years old, in 2021 I turned professional, I will be looking for support so I can hopefully fulfil my ambition

My first year playing as a golf professional was a great experience and a very enjoyable year. I had the pleasure with playing with some very experienced Professional golfers who have also played on other tours.

After the first year I am very happy with my performance over the year, with 6 Top 10 finishes and 1 win in my first year (one of the youngest winners on the Clutch Pro Tour)

I have had many achievements in the last couple of years.

2018

: Winning two under 18 junior championships.

1: Paul Casey 36-hole tournament at Foxhills.

2: wilderness Junior Open.

2019

: Winning the U17 Surrey County Championships at Malden Golf Club also coming 2nd in the U18s .

: Winning my club championships at The Addington my home course.

2020

: Winning a Junior European Tour event at Lingfield Park qualifying to go to Spain to play the finals
2nd time I've done this since 2015.

: Winning my club championships again 2nd year in a row winning by 8 shots to retain the trophy.

I'm looking for a sponsor/sponsors to further my golfing career.

In total I would like to raise £12,000

This would cover, entry fees, travel, accommodation and equipment.

My aim would be 3 sponsors (3 sponsors Approx. £330 per month)

In return I would offer the following

Logo shirts, caps and jumpers.

Attend any corporate or golf day (subject to tournament schedule)

Discounted golf equipment
